BULK TRASH

Residential utility account holders may request two (2) bulk trash pickups per year. Piles may be up to 4 cubic yards in size. Any piles larger than 4 cubic yards, up to 8 cubic yards in size, will be picked up at a cost of \$15.00 per additional cubic yard. This fee will be assessed to the utility account upon pickup.

Requests for pickup should be called into the Sanitation Division at (405) 671-2873.

Placing bulk trash at the curb without completing a pickup request will result in a code enforcement violation.

SANITATION SPECIAL PICKUPS

Residential utility account holders may also request an unlimited number of special pickups by contacting the Sanitation Division. Please call for pricing on individual items, or we can provide a quote for a pile.

ROLL OFF CONTAINER RENTALS

Del City Sanitation offers 20- and 30-yard roll off containers for rent. Restrictions apply and depends on availability. Please contact Sanitation for details.
