CODE CORNER

Did You Know?

Mowing season is upon us.

Maintain your property to prevent citations and keep our community looking great!

Accumulation of trash, weeds, or grass attract pests, promote disease, and increase fire risk. Overgrown trees and shrubs can create traffic hazards.

Parking on unapproved surfaces and grass damages your lawn and can cause mud to clog stormwater drainage systems.

Do your part to keep our community looking its best and to prevent citations!

Visit cityofdelcity.gov/code-enforcement
