# UTILITY RATE UPDATE

## INVESTING IN OUR COMMUNITY

Beginning January 1, 2026, residents will see an adjustment in their monthly utility bill. This change will include updated rates for water, sewer, sanitation, capital outlay fees, as well as a street maintenance fee.

We understand that any increase in household costs can be difficult. This decision was not made lightly. However, these adjustments are necessary to:

- **MAINTAIN RELIABLE SERVICES**

Ensuring clean water, efficient sewer operations, and dependable sanitation pickup.

- **INVEST IN INFRASTRUCTURE**

Covering rising costs for repairs, equipment, and long-term capital improvements.

- **SUPPORT STREET MAINTENANCE**

The street fee provides dedicated funding to improve the quality and safety of our roads.

- **KEEP SERVICES LOCAL AND SUSTAINABLE**

Rates are reviewed regularly to balance affordability with the true cost of providing essential services. Even with this adjustment, our community's utility rates remain comparable or below those of surrounding cities. By making this investment now, we can avoid larger, unexpected costs in the future and

continue to provide the safe, reliable services residents depend on every day.

We greatly appreciate your understanding and cooperation as we work to protect and improve the infrastructure that supports our community. For more information about the rate changes, please visit:

**WEBSITE**

[cityofdelcity.gov](http://cityofdelcity.gov)

**EMAIL**

[info@cityofdelcity.org](mailto:info@cityofdelcity.org)

## FAQ FREQUENTLY ASKED QUESTIONS

**Q: WHY ARE RATES GOING UP?**

**A:** This is a multi-factorial issue:

- **RIISING OPERATIONAL COSTS**

Fuel, labor, and equipment costs have increased significantly, making it more expensive to provide daily services.

- **AGING INFRASTRUCTURE**

Water lines, sewer lines, vehicles, and sanitation equipment must be replaced and upgraded to prevent costly breakdowns.

- **REGULATORY REQUIREMENTS**

State and federal regulations require ongoing investments in water and wastewater systems to ensure safety and compliance.

- **STREET IMPROVEMENTS**

A dedicated street fee will provide sustainable funding for roadway maintenance and repairs. Improving safety and reducing long-term costs.

- **SUSTAINABILITY FOR THE FUTURE**

Without these adjustments, the City risks falling behind on maintenance, leading to service disruptions and much higher costs down the road.

**Q: WHAT IS THE NEW STREET FEE FOR?**

**A:** As mentioned above, the street fee will provide a dedicated funding source to repair and maintain our roads. This ensures safer travel and reduces costly emergency repairs in the future.

**Q: HOW MUCH MORE WILL I PAY EACH MONTH?**

**A:** The exact increase depends on your household's usage and services.

**Q: HOW DO OUR RATES COMPARE TO OTHER CITIES?**

**A:** Even after this adjustment, our utility rates remain comparable or lower than surrounding communities.

**Q: WHERE CAN I GET MORE INFORMATION?**

**A:** On the City's website at [cityofdelcity.gov/utility-billing](http://cityofdelcity.gov/utility-billing) or Email: [info@cityofdelcity.org](mailto:info@cityofdelcity.org)

## A SMALL CHANGE WITH A BIG RESULT!

**STREAMLINED. SIMPLE. STILL DEL CITY – DRIVEN BY PROGRESS AND COMMITTED TO OUR RESIDENTS.**

We're simplifying our billing process. Beginning in January, Del City will move from four billing cycles with four different due dates to just two citywide billing cycles:

Every utility account, both residential and commercial, will fall into either Cycle 1 or Cycle 2.

To get everyone ready for the new schedule, we'll be adding 12 extra days of service to your bills for:

- This ensures your account aligns with the new schedule before the transition.

The additional 12 days of service added to each bill (October-January) are only for services used.

Your October, November, December, and January bills will be slightly higher because they will include the extra 12 days.

Beginning in January, billing will transition to the the new schedule, returning to a standard 30-day billing cycle.

This change helps everyone by keeping billing simple, consistent, and reliable moving forward. We appreciate your understanding as we make this transition.

# BULK TRASH PICKUP

**BULK TRASH SERVICE IS PROVIDED ONCE A MONTH FOR EACH AREA OF THE CITY.** To maintain safe, clean neighborhoods, residents **MUST** follow the rules for placing bulk trash at the curb.

- **DO NOT SET BULK TRASH OUT EARLY.** Placing bulk items at the curb too early can create safety hazards, block sidewalks, attract illegal dumping, and hurt the appearance of our community.
- **BE ADVISED:** Bulk trash placed at the curb outside of your scheduled

week is a **VIOLATION OF CITY CODE.** Residents who do so may be subject to **CITATIONS AND FINES IN ADDITION TO POSSIBLE REMOVAL COSTS.**

- Only place bulk trash on the curb **ON YOUR ASSIGNED WEEK.** (See chart for details.)\*
- **KEEP PILES NEAT AND CLEAR** of fire hydrants, mailboxes, utility meters, power lines, and trees.
- Loose items **MUST** be bagged or boxed for removal.
- Piles larger than 4 cubic yards but less than 8 cubic yards will result in a **FEE** added to the utility account. 9 cubic yards or more will **NOT** be picked up.

Information about your scheduled week is available in the chart below and available in the Events Calendar on the City's website at:

[cityofdelcity.gov](http://cityofdelcity.gov) > Residents > Events Calendar.

Your cooperation ensures that bulk trash service runs smoothly and that our neighborhoods remain safe and attractive, reflecting the pride of a community with **Deep Roots and a Relentless Spirit.**

## 1 BULK TRASH PICKUP. EVERY. MONTH.

\*Bulk trash starts on the first Monday of each month. That means if the first Monday of October is the 6th, Ward 1's bulk trash pickup needs to be at the curb by **6:30AM** on the 6th.

An easy way to know what Ward you live in is by knowing what day your trash is picked up. The day of the week you put your trash out correlates to the Ward you live in:

MONDAY	WARD 1	COUNCILMAN DEAN
TUESDAY	WARD 2	COUNCILWOMAN FINCH
WEDNESDAY	WARD 3	COUNCILWOMAN BROWNE
THURSDAY	WARD 4	COUNCILMAN TATOM

OCT	NOV	DEC
WARD 1 6 <sup>th</sup>	WARD 1 3 <sup>rd</sup>	WARD 1 1 <sup>st</sup>
WARD 2 13 <sup>th</sup>	WARD 2 10 <sup>th</sup>	WARD 2 8 <sup>th</sup>
WARD 3 20 <sup>th</sup>	WARD 3 17 <sup>th</sup>	WARD 3 15 <sup>th</sup>
WARD 4 27 <sup>th</sup>	WARD 4 24 <sup>th</sup>	WARD 4 22 <sup>nd</sup>

**SCAN ME**

FOR BULK TRASH GUIDELINES OR VISIT  
[WWW.CITYOFDELCITY.GOV/BULK-TRASH](http://WWW.CITYOFDELCITY.GOV/BULK-TRASH)

*\*PLEASE NOTE: BULK TRASH MUST BE AT CURB BY 6:30AM*

# RESIDENTIAL SANITATION PICKUP

To ensure reliable and efficient sanitation for all residents, please take note of the following rules for household trash collection:

## CONTAINER REQUIREMENTS

- All household garbage must be placed in City-approved polykarts with lids securely closed.
- Loose bags, boxes, or scattered debris will not be collected.

## PLACEMENT AND REMOVAL TIMES

- Polykarts are to be placed at the curb no earlier than 6:00 PM the evening before your scheduled pickup day.
- Polykarts must be removed from the curb no later than 8:00 AM the following day after collection.

## PROHIBITED ITEMS

- Household garbage ONLY. No construction debris, tires, hazardous waste, paint, electronics, or bulk items.

- Bulk trash and yard waste are collected separately under specific programs.

## PLACEMENT AT THE CURB

- Place polykarts at the curb with the lid opening facing the street at least 4 feet apart. This allows the mechanical arm to grab each container without risk of knocking them over.
- Keep polykarts at least 3 feet away from mailboxes, parked vehicles, fire hydrants, utility poles and utility meters.

## ENFORCEMENT

Failure to follow these rules may result in missed collection. You may request a return pickup by calling (405) 671-2873. A fee for each polykart will be added to the utility bill.

By following these guidelines, you help keep our sanitation system safe, efficient, and dependable for everyone in the community.

For more information about sanitation rules, schedules, and disposal options for special items, please visit the City's website or contact Sanitation:

# NEIGHBORHOOD WATCH

The officers of Del City's Neighborhood Watch groups have worked together for many years to organize community events and strengthen neighborhood safety. Building on this collaboration, they are now formally organized as the **Del City Neighborhood Watch (DCNW) Leadership Council**. The Leadership Council meets monthly to coordinate resources, address citywide concerns, and ensure residents stay informed, connected, and supported.

To learn more or get involved, please reach out to your local Neighborhood Watch group:

# CODE ENFORCEMENT

## CODE ENFORCEMENT

405.677.5741 EXT. 7379  
[CODECOMPLAINTS@CITYOFDELCITY.ORG](mailto:CODECOMPLAINTS@CITYOFDELCITY.ORG)

The Code Enforcement Department helps keep Del City safe, clean, and thriving. Our team works every day to protect property values, preserve neighborhood pride, and ensure our community remains a place we're proud to call home.

From overgrown lawns and junk piles to inoperable vehicles or storm water issues, we're here to help resolve problems before they grow. When we all take care of our homes and properties, we strengthen the heart of Del City—together.

Do your part to keep our community looking its best and prevent citations.

Let's keep our community looking its best. Take pride. Take action. Keep Del City strong.

## DID YOU KNOW?

**Accumulation of trash, weeds, or grass** attract pests, promote disease, and increase fire risk. Overgrown trees and shrubs can create traffic hazards.

Ch. 13 - Offenses - Miscellaneous  
Article IV. - Nuisances  
Div. 2. Accumulation of Trash, Weeds, Grass  
Sec. 13-107 - Sec. 13-108

**Trimming of Trees and Shrubbery** can ensure safe and clear passage. All trees and shrubs near sidewalks, streets, and alleys must be properly trimmed. In doing so, you can avoid citations, increase safety at intersections, keep street signage visible, and keep roads accessible for emergency vehicles.

CH. 13 - STREETS AND SIDEWALKS  
ARTICLE I. IN GENERAL  
EC. 19-7. - TRIMMING OF TREES AND SHRUBBERY  
NEAR STREETS, SIDEWALKS AND INTERSECTIONS.

#### OSU EXTENSION WORKSHOP:

##### “COOKING FOR 1 OR 2”

GAIN PRACTICAL TIPS AND SIMPLE RECIPES AT OSU EXTENSION’S COOKING FOR 1 OR 2 WORKSHOP—DESIGNED TO MAKE SMALL-BATCH MEALS HEALTHIER, EASIER, AND MORE ENJOYABLE.

# SHOP WITH A COP FUNDRAISER

Last holiday season, the **Del City Police Department** continued a cherished tradition, Shop with a Cop. The morning began with a delicious breakfast for local children at Del City First Church of the Nazarene. Afterward, excitement filled the air as kids climbed into patrol cars, lights flashing and sirens sounding, for an unforgettable escort to Walmart.

Once there, each child enjoyed picking out gifts with the help of Del City officers, spreading smiles and holiday cheer throughout the store. For many, this day is more than a shopping trip, it's a reminder that their community sees them, values them, and stands behind them.

But the impact of this program begins long before the shopping carts roll. **The first fundraising event for this year's Shop with a Cop program will be held on October 23, from 5PM-8PM at McDonald's on 29th Street, right here in Del City.** Community members are invited to stop by, purchase fundraising items, and help make a difference. Proceeds from the event, along with direct donations, will go toward helping local children experience a joyful holiday season filled with hope, laughter, and the magic of giving.

This event is co-hosted by the **Del City Neighborhood Watch (DCNW) Leadership Council**, showcasing the power of partnership and community spirit that makes our city strong. Let's come together to make a difference — one meal, one smile, and one child at a time.
