## FOOD TRUCK LICENSE APPLICATION

Food truck licenses are valid from the date they are issued through June 30 of each year. Licenses can be renewed each year as long as you currently hold a valid license and renew it during the annual renewal window, which runs from July 1 to August 1. If you receive a license after June 1, the fee will be prorated so that it matches the standard renewal cycle beginning July 1.

Please find below a list of required documents that must accompany this application form. These documents and application form will be accepted by submitting to [permits@cityofdelcity.org](mailto:permits@cityofdelcity.org). Incomplete applications will be denied and resubmission will be required.
