CITY MANAGER'S CORNER

On behalf of Del City's firefighters and police officers, THANK YOU, DEL CITY, for voting to pass our General Obligation (G.O.) Bond on August 25!

These funds will be used to provide our Fire Department with a new Fire Engine and a new Brush Rig / Rescue combo vehicle, our Police Department with new Police SUVs, and our Emergency Management Department with a new Outdoor Warning System.

Each of these purchases provides our first responders with up-to-date equipment to continue providing essential public safety services to our great city. Please follow our social media pages as we move forward on these purchases so that you may see the investments that you have made in action.

Thank you again for your support and investment in our first responders!

Respectfully,

JD Hock, City Manager

UTILITY BILLING

You may notice some new faces in the Utility Billing Department! Our team is here to assist residents with high water usage and potential leaks, billing questions or discrepancies, online billing, autodraft payments, and other account needs.

Office Hours: M-TH, 7:30 AM-5:30 PM | F, 7:30-11:30 AM

Online payments are available 24/7, and a convenient payment drop box is located on the north side of the building. Please note that payments deposited after business hours or on a holiday will be processed the following business day.

Questions? Contact Utility Billing—we're here to help!

CODE ENFORCEMENT

The Code Enforcement Department helps keep Del City safe, clean, and thriving by addressing concerns like overgrown lawns, junk and debris, inoperable vehicles, and more. Taking care of our homes and properties helps protect property values, preserve neighborhood pride, and prevent citations.

Take pride. Take action. Keep Del City strong.

DEL CITY FIRE DEPARTMENT

Thank you to Del City residents who participated in the G.O. Bond election! DCFD is now developing specifications for a new fire engine, two brush/rescue vehicles and improvements to the outdoor warning system.

October is Fire Safety Month! Remember to test your smoke alarms and replace batteries as needed. Del City residents who need a smoke alarm can stop by the fire station for assistance.

Welcome our newest firefighter, Hayden Creed, and congratulations to Cody Brewer on his promotion to Captain and Seth Shelton and Brady Skillings on their promotions to Sergeant!

Look for DCFD at Del City High School home football games and the upcoming Trunk or Treat at INTEGRIS. DCFD will also be hiring soon, so watch for application details.
